Zum Geleite.

Meine synagogalen Kompositionen, die ich hiermit der Öffentlichkeit übergebe, sind während meiner mehr als 31 jährigen Tätigkeit als Chordirigent der hiesigen Gemeinde entstanden. Da sie zunächst für den Gebrauch in unserm Gotteshause bestimmt waren, und wir ohne Orgelbegleitung singen, mußte ich sie so gestalten, daß sie auch ohne instrumentale Unterstützung eindrucksvolle Wirkung hervorzurufen vermögen. Dem Bedürfnis vieler Gemeinden entsprechend, habe ich indes überall eine Orgelbegleitung untergesetzt. Sie ist somit nicht obligat, sondern bildet nur eine Unterstützung des Chores und des Cantors. – Die Sammlung enthält gemischte und Männer-Chöre zum Teil mit Solopartien, sowie Rezitative für den Cantor, letztere sowohl für hohe als auch für mittlere Stimme. Manche Texte, insbesondere solche, die jeden Sabbath im Gottesdienste wiederkehren, haben eine mehrfache Vertonung erfahren. Außer Gesängen für den Sabbath sind in dem Werk auch Kompositionen für Purim, ein Moaus zur – neue Bearbeitung der alten Melodie – Trauungs- Grabgesänge und Gesänge für die Seelenfeier enthalten. Manche Chöre und Soli können auch an den Feiertagen Verwendung finden, z.B. Aus- und Einheben, B'zes jisroel, Min hammezar, Halalu el bekodscho, Sseu scheorim, K'duschoh u.s.w. Der Fachmann wird leicht das Passende herausfinden. Die Orgelbegleitung ist in der Weise gedacht, daß bei den Chören meistenteils das I. Manual, hingegen bei den Soli das II. Manual gespielt wird, desgleichen bei Chören oder Chorstellen, die *pp* ausgeführt werden sollen. Alles Weitere muß dem Organisten, der sein Instrument kennt, überlassen bleiben. Soweit es möglich war, und die Struktur der musikalischen Gedanken es gestattete, ist auf richtige Betonung der Worte Rücksicht genommen. – Es ist mir eine angenehme Pflicht, an dieser Stelle all derer zu gedenken, die in hochherziger Weise die Herausgabe meines Werkes gefördert haben. Die löbliche Verwaltung der hochangesehenen, altehrwürdigen Synagogengemeinde **Hannover** gewährte mir für mein Unternehmen eine namhafte Subvention.

Einen ansehnlichen Beitrag für die Drucklegung des Werkes bewilligten die Herren **Königlichen Kommerzienräte Emil L.** und **Siegmund L. Meyer** in pietätvoller Erinnerung an ihren edlen Vater, den weiland **Geheimen Kommerzienrat Louis Ephraim Meyer**, der viele Jahre dem Vorstande der Synagogengemeinde Hannover angehörte, deren Chor mitbegründete und dem er mehr als ein halbes Jahrhundert – bis zu seinem im Jahre 1894 erfolgten Ableben – als Mitglied bzw. als Vorsitzender der Chor-Commission allzeit das warmherzigste Interesse entgegenbrachte.

Die Herren **Rentier Jakob Berliner** und **Königl. Kommerzienrat Joseph Berliner** haben auch diesmal wieder gezeigt, daß sie ein warmes Herz für die Interessen des Judentums haben. Mein Unternehmen ist auch durch die verehrlichen Subskribenten wesentlich gefördert worden. Herr Seminarlehrer **Louis Levisohn** hat mir bei der Textkorrektur wertvolle Dienste geleistet. Ihnen allen gilt mein herzlichster Dank. Und nun möge mein Werk hinausgehen in die Gemeinden und mithelfen zur Verherrlichung unseres Gottesdienstes und damit zur Heiligung des göttlichen Namens. Die Erfüllung dieses Wunsches wäre für mich der schönste Lohn meiner Arbeit.

Hannover, im August 1914 **Alfred Rose.**
